To Whom It May Concern:

Hilary Borget worked for me briefly, from December 23<sup>rd</sup> – December 28th 2002, filling in for my chef while he was on vacation. During that time I was very impressed with her cooking. Her meals were delicious. Hilary was punctual and polite. She was always eager to hear suggestions and integrate them in her next meals. The kitchen was always left as clean as it was before she started cooking. I would hire her again and I recommend her highly.

Sincerely,

  
Jane Wenner
